## F O R E W O R D

Dear Parents and Carers,

We are flying through the year! We have had a great half term full of different experiences and learning in and out of the classroom.

This week it was brilliant to see so many parents come to our Year 2 Travel Agent afternoon, where the children tried to sell holidays to the places they have been learning about in class. The kids were brilliant and used persuasion skills and language very well. On Wednesday we had our annual Junior House run. The weather was perfect, albeit it a bit windy. All the children ran the distance and did themselves proud.

Also on Wednesday, we had a parent presentation on how you can support your child if they suffer from anxiety.

### Year 2 Travel Agent Day:

On Tuesday afternoon, year 2 hosted their Travel agent event. This has been the accumulation of their geography work and research over the past term and we are thrilled to say it was a huge success. It was wonderful to witness so many parents enjoying the enthusiastic participation of the children. There certainly was no lack of enthusiasm, and we might be forgiven for being so immersed in the experience, we attempted to sell flights there and then.

The year 2 team are incredibly proud of how well the children presented not only their work but themselves too and already look forward to our next project in the summer.

### **Farnham Tennis Club:**

The tennis club is hosting an open day on April 27<sup>th</sup> – see poster below. Please come down between 9-1330. We have a varied set of activities and would love to welcome people new to tennis, and new members to join our local club at the heart of the community.

### **The Big Clean Up:**

The children at the Junior School have worked tirelessly at their litter picking over the last few weeks, collecting many bags of rubbish and the school now looks beautiful. We have also been out and about on Jubilee Path and the community orchard. As part of our work on recycling, the Eco Council has installed a battery collecting box in reception so please do bring in any batteries to avoid them ending up in landfill. We have also got a printer toner recycling box and can accept all used toners.
