As with all food retailers our suppliers take every care to remove bones from relative products. Fish and meat products may contain bones due to the way the products are manufactured.

## Support & Serve

### Fresh & Local

We are all so fortunate to live in a country with four distinct seasons and the variety of fruits and vegetables this provides. It makes for a delicious, varied, healthy diet.

All meals we provide are made fresh here at St Joseph's kitchen daily. We support local businesses where possible ensuring that we can always offer a wide range of fresh, varied, local produce.

We are extremely proud of the 5\* food hygiene rating we have been issued by Buckinghamshire Council.

Our Greengrocer is based here, in our village of Chalfont St Peter, and our Butcher is in the Thames Valley.

We cater for 14 schools each day, including the children here at St Joseph's Primary. We are very fortunate to have a hardworking, loyal catering team that have a true passion to ensure that all children are offered a healthy, well balanced, enjoyable meal. The commitment from the whole team here has been proven over the past few years where there have been many unforeseen circumstances: the team adapts to change quickly and effectively to deliver the best possible lunch service, day in, day out. We provide fresh, hot soup to a homeless charity based in Slough every Monday night, 52 weeks of the year.

Our strong working relationships with all suppliers and delivery companies has proven so important to us. We work closely together to plan deliveries of produce, ensuring our own stock shelves are full even when the local supermarket shelves look bare.

Along with a varied hot meal, children have the option of a freshly baked potato or a healthy roll or sandwich with a choice of tasty fillings that is accompanied by a salad of the day and a dessert.

Our menu reflects the importance of offering a varied & healthy "home cooked" meal for all pupils every day with the chance to introduce new flavours in to their diet.

Please note that if there is an availability issue, the changes we need to make will be communicated to all schools as soon as possible.
